Construction Update #1 **Preparation Begins on BCC Campus for** **Performing Arts Center**

Barstow, Calif. – (Oct. 13, 2010) - Preparation work and construction fencing will occur on the Barstow campus this week. This is in preparation for the construction commencing soon on the Performing Arts Center that will be located in the NE portion of the campus. The administration parking lot, immediately outside of the Administration building, will be available for parking. There will be no through traffic from the administration parking lot to the upper parking lot on the south side of the Norman Smith Center Student Services (the upper parking lot).

To gain access to the upper parking lot, follow these directions:

Entering the campus from the lower or the first entrance (near the Viking Shop Bookstore/Cosmetology – D Bldg.) off Barstow Road, drive onto the campus to the first stop sign. Make a right through the lower parking lot (10 mph) and continue to the end, make a left and continue around to the upper parking lot. There will be limited parking behind the Norman Smith Center Student Services.

Entering the campus from the upper or second entrance off Barstow Road, drive onto the campus to the first stop sign. If you are going to the Administration building, make left and continue to administration parking lot. If you are going to the LRC or upper parking lot, turn right at the stop sign, and proceed past the LRC, and continue through the parking lot (10 mph) and make a left at the end of the lot and continue around to the upper parking lot. Again, there will be limited parking behind the Norman Smith Center Student Services.

When exiting the campus, use the reverse directions.

Please follow and obey all construction zone signage. As a reminder, the speed limit on campus is 10 mph. Your cooperation is appreciated.
